STAPLES®

3rd Party Flyers Design Guidelines

Bleed Area: 11.25" x 8.75"
Make sure the background of your design extends all the way to the bleed area. This ensures clean edges and leaves no whitespace on the final product.

Trim: 11" x 8.5"
Your product will be cut as close to this line as possible.

Safe Margin: 10.75" x 8.25"
Make sure that every part of your design except the background is inside this area. This will keep your logos, icons and text safe from being cut off.
