# STAPLES®

19x13 Window Cling Design Guidelines

Bleed Area: 19.8" x 13.2"
Make sure the background of your design extends all the way to the bleed area. This ensures clean edges and leaves no whitespace on the final product.

Trim: 19.3" x 12.7"
Your product will be cut as close to this line as possible.

Safe Margin: 18.8" x 12.2"
Make sure that every part of your design except the background is inside this area. This will keep your logos, icons and text safe from being cut off.
